

## Blessing of the land

Actually Sri Lanka is a smaller land with considering some other countries, which is the capacity of 65610km<sup>2</sup> population approximately twenty million. Most of the people are following their own religions. The majority is Buddhist. Others are Christians, Muslims and Hindus. Do you believe? It can be seen some places where Buddhist temple and Catholic Church are locating in same place. But no any corruptions. Because of some invasions of south Indian, step by step Hindu religion crept in to the Buddhism that is why today you can see some shine rooms are allocated for some Hindu gods those are known Vishnu, Paththini, Skanda, etc. Even though every ethnic gather to help each other's when the religious function held regarding to any religions. That is trusted by the people, the land full of blessing of Lord Buddha Skanda, Jesus and Allah. That is why this paradise likes a religious land.
